### What Is Cal MediConnect?

Cal MediConnect is a new kind of health plan. It combines all your Medicare and Medi-Cal benefits into a single plan. This makes it simpler for you to get the services you need. It also helps you live independently.

Cal MediConnect health plans coordinate all your health care needs, including:

- Medical and vision care.
- Mental health care.
- Home- and community-based services (such as Adult Day programs).
- Prescription medicines.
- Medical equipment and supplies.
- Substance abuse programs.

Cal MediConnect health plans make it easier for you to manage your health. These plans also offer extra benefits, such as vision and care coordination.
